

## WRZ 01, WRZ 02 // Guide profile

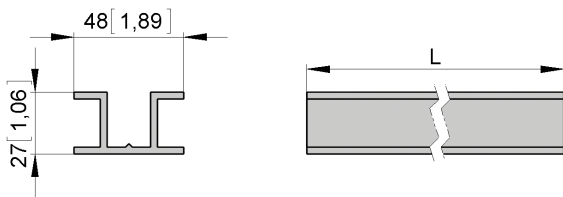

- Guide profiles for use on VariVent® (climbing drive), tube motor and end guide.
- WRZ 01 aluminium guide profile for VariVent® TFD end guide, and on RMA tube motors as roller carriage and end guide.
- WRZ 02 guide profile for roller carriage on climbing drives for VariVent® systems.
- Simple and precise mounting is possible.

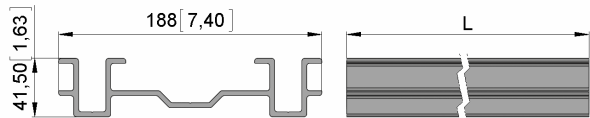

**Option:**

- WRZ 02.91: galvanised clamping plate for VariVent® TF Diabolo, incl. screws and lock nuts.

### WRZ 01
